Overtime/Tie Breaker Rules:

If there is a tie in total points at the end of pool play, the following tie breakers will be used to determine the winner:

1. Head to head competition.
2. Goal differential +/-
3. Subtracting goals allowed from goals scored
4. Fewest goals allowed
5. Fewest Red and or / Yellow Cards
6. Coin flip Area Director (or field marshal in charge of the facility where the tournament is being hosted)

Semi-final games that end in a tie will go directly to kicks from the mark.

If the final is tied after regulation, the teams will play two 5 minute overtime periods (no golden goal). If no goals are scored during the overtime periods, the match will be decided by kicks from the penalty mark. FIFA instructions (Procedures To Determine The Winner Of A Match) for the taking of kicks from the penalty mark will be followed. Only the players on the field at the end of the second overtime period will be allowed to participate in the penalty kick shoot-out.
